UNINSURED MOTORISTS BODILY INJURY COVERAGE compensates you, or other persons insured under your automobile insurance policy, for amounts which you may be legally entitled to collect as damages from an owner or operator of an uninsured/underinsured vehicle. For a more detailed explanation of this coverage, refer to your policy.

Under Georgia law we are required to offer you the New Uninsured Motorist Coverage - Added on (referred to as Added on). You may reject this coverage, in writing, and select the Traditional Uninsured Motorist Coverage - Reduced by (referred to as Reduced by). Uninsured Motorist Coverage - Added on provides additional protection at a higher premium than the Traditional Uninsured Motorist Coverage - Reduced by.

The New Uninsured Motorist Coverage - Added on provides protection that will pay for your damages in addition to the at-fault driver’s Liability Coverage limit up to your New Uninsured Motorist Coverage - Added on limit.

The Traditional Uninsured Motorist Coverage - Reduced by will only pay the difference between the at-fault driver’s Liability coverage and your Traditional Uninsured Motorist Coverage - Reduced by limit.

When you purchase Uninsured Motorist Coverage you must select either the Added on or the Reduced by. If you do not make this selection in writing we will provide the New Uninsured Motorist - Added on.

Georgia law also requires that we offer you uninsured motorists coverage with limits equal to your limits of Liability Coverage unless you tell us, in writing, that you do not want this coverage or that you want lower limits. The lowest Uninsured Motorists limits allowed by Georgia law is $25,000 per person/$50,000 per accident for bodily injury.

You have several options to consider:

First, you should decide whether or not to purchase Uninsured Motorist Coverage:
1. You may select Uninsured Motorist Coverage limits that are equal to your Liability Coverage limits; or
2. You may select Uninsured Motorist Coverage limits that are less than your Liability Coverage limits; or
