UNINSURED MOTORISTS COVERAGE

UNINSURED MOTORISTS BODILY INJURY COVERAGE compensates you, or other persons insured under your automobile insurance policy, for amounts which you may be legally entitled to collect as damages from an owner or operator of an at-fault uninsured motor vehicle. For a more detailed explanation of this coverage, refer to your policy.

Tennessee law requires you to purchase Uninsured Motorists Bodily Injury Coverage with limits equal to your bodily injury liability coverage limit unless you tell us, in writing, that you do not want this coverage. You may also choose to select coverage limits other than what your Declarations Page indicates. The lowest Uninsured Motorists Coverage limit allowed by Tennessee law is $25,000 per person/$50,000 per accident.

If you have not previously completed and signed for the selection/rejection of Uninsured Motorists Coverage please select from the coverage options listed below, sign your name, and mail the completed form to the Customer Service Center that is printed on your Declarations Page.
